DISCIPLINE POLICY AND PROCEDURES

Introduction

We look forward to having you as a member of the Beverly Hills Unified School District community. We care about the students attending our public schools and want them to receive the finest educational opportunities possible.

The purpose of this booklet is to provide you with information to assure you that your Board of Education vigorously supports learning within a framework of academic excellence, discipline, and orderliness. We believe that students in public schools should progress from being adult-directed, with minimal application of disciplinary measures, to being self-directed. We are proud of the students of our school system. They have proven themselves to be good citizens and scholars in the classroom and in the community.

It is important that you, as a parent, are aware of the Board of Education Policy and Procedures, which are followed when disciplinary situations arise. With this awareness, you will also be able to assist in helping your child understand the importance of conducting themselves appropriately. Ultimately, our goal is for your child to enjoy a rich learning experience in the Beverly Hills schools.

I. GENERAL CONDUCT

The Board of Education believes that every student's character is molded by influences starting with the student's family and including all the institutions that affect the student's life. It is a major purpose of public education to teach, model, and encourage the development of good character in every student in every possible way. The Beverly Hills Unified School District Board of Education recognizes that a quality education includes a fundamental expectation that schools provide an environment that encourages the development of a strong moral anchor in truth, responsibility, and justice.

American public education has historically viewed character development as a foundation of the major mission of successful teaching and learning. The social environments of homes, schools, and communities form values and character. Clear expectations and pride in complying with the norms of the community help shape behavior. Families, schools, and communities have a profound influence on character, ethics, and values in both direct and indirect ways and school communities have a responsibility to teach, demonstrate, and promote ethical behavior. All participants in the education process must work in the partnership to ensure the successful development of the citizens of future generations.

2. When a student has a contagious or infectious disease;
3. When a student lacks proper immunization for up to five (5) days;

E.C. 48211-48213

K. SUSPENSION AND EXPULSION/DUE PROCESS

The Governing Board has established policies and standards of behavior in order to promote learning and to protect the safety and well-being of all students. When these policies and standards are violated, it may be necessary to suspend or expel students from regular classroom instruction.

Suspended or expelled students shall be excluded from all school-related extracurricular activities during the period of suspension or expulsion.

Except where suspension for a first offense is warranted in accordance with law, suspension shall be imposed only when other means of correction fail to bring about proper conduct. (Education Code 48900.5)

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion is used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes a continuing danger to him/herself or others. (Education Code 48915)

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be specified in administrative regulation.

Zero Tolerance

The Board supports a zero tolerance approach to serious offenses. This approach makes the removal of potentially dangerous students from the classroom a top priority. It ensures fair and equal treatment of all students and requires that all offenders be punished to the fullest extent of the law. Staff shall immediately report to the Superintendent or Designee any incidence of offenses specified by law, Board policy and administrative regulation as cause for suspension or expulsion.

The Superintendent or Designee shall notify staff, students and parents/guardians about the district's zero tolerance policy and the consequences which may result from student offenses. He/she shall also ensure strict enforcement of this policy.

Student Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or Designee shall comply with procedures for notices and appeals as specified in administrative regulation and law. (Education Code 48911, 48915, 48915.5)

Required Parental Attendance

The Board believes that parental involvement plays an important role in resolution of classroom behavior problems. The Board expects that teachers will communicate with parents/guardians when behavior problems arise.

Whenever a student is removed from a class because he/she committed an obscene act, engaged in habitual profanity or vulgarity, disrupted school activities or otherwise willfully defied valid staff authority, the teacher of the class from which the student was removed may provide that the student's parent/guardian attend a portion of a school day in that class. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee. (Education Code 48900.1)

The Board encourages teachers, before requiring parental attendance, to make reasonable efforts to have the parent/guardian visit the class voluntarily. The teacher also may inform the parent/guardian about available resources and parent education opportunities. Teachers should reserve the option of required parental attendance for cases in which they have determined that it is the best strategy to promote positive interaction between the student and the parent/guardian and to improve classroom behavior.

The teacher shall apply this policy uniformly to all students within the classroom. This policy shall apply only to a parent/guardian who lives with the student. (Education Code 48900.1)

Parental attendance may be requested on the day the student returns to class or within one week thereafter. The principal or designee shall contact any parents/guardians who do not respond to the request to attend school. The Board recognizes that parental compliance with this policy may be delayed, modified or prevented for reasons such as serious illness/injury/disability, absence from town, or inability to get release time from work.

District regulations and school-site rules for student discipline shall include procedures for implementing parental attendance requirements.

Decision not to Enforce Expulsion Order

On a case-by-case basis, the enforcement of an expulsion order may be suspended by the Board pursuant to the requirements of law. BP 5045

18. Engaged in, or attempted to engage in, hazing. For purposes of this subdivision, "hazing" means a method of initiation or pre-initiation into a pupil organization or body, whether or not the institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. For purposes of this subdivision, "hazing" does not include athletic events or school-sanctioned events (Education Code 48900 (q));
19. Engaged in an act of bullying.
 - (1) "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

 - (3) "Reasonable pupil" means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs (Education Code 48900 (r)).
20. A pupil shall not be suspended or expelled for any of the acts enumerated in this section, unless that act is related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the school district or principal or occurring within any other school district. A pupil may be suspended or expelled for acts that are enumerated in this section and related to school activity or attendance that occur at any time, including, but not limited to, any of the following:
- (1) While on school grounds.
 - (2) While going to or coming from school.
 - (3) During the lunch period whether on or off the campus.
 - (4) During, or while going to or coming from, a school sponsored activity.
- (Education Code 48900 (s))
21. 22. Grounds for suspension or expulsion: Sexual harassment (Grades 4-12). A pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5 (Education Code 48900.2).
23. Grounds for suspension or expulsion: Hate Violence (Grades 4-12). A pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has caused, attempted to cause, threatened to cause, or participated in an act of, hate violence, as defined in subdivision (e) of Section 233 (Education Code 48900.3).

24. Grounds for suspension or expulsion: harassment, threats, or intimidation (Grades 4-12). A pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment (Education Code 48900.4).
25. Limitations on imposing suspension: Suspension shall be imposed only when other means of correction fail to bring about proper conduct. However, a pupil may be suspended for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Section 48900 or that the pupil's presence causes a danger to persons or property or threatens to disrupt the instructional process (Education Code 48900.5).
26. Made terrorist threats against school officials and/or school property. For the purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars, with the specific intent that the statement is to be taken as a threat, even if there is not intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family (Education Code 48900.7).

Removal from Class by a Teacher/Parental Attendance

A teacher may suspend any student from his/her class for the remainder of the day and the following day for 48900 (i) or (k) violation (Education Code 48900.1).

A teacher also may refer a student to the principal or designee for consideration of suspension from school (Education Code 48910).

When removing a student from his/her class, the teacher shall immediately report this action to the principal and send the student to the principal for appropriate action. The student shall be appropriately supervised during the class periods from which he/she has been removed.

As soon as possible, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the removal. A counselor should attend the conference if it is practical, and a school administrator may attend if either the parent/guardian or teacher so requests.

A student removed from class shall not be returned to class during the period of removal without approval of the teacher of the class and the principal (Education Code 48910).

A student removed from class shall not be placed in another regular class during the period of removal. However, if a student is assigned to more than one class per day, he/she may be placed in any other regular classes except those held at the same time as the class from which the student was removed (Education Code 48910).

The teacher of any class from which a student is removed may require the student to complete any assignments and tests missed during the removal (Education Code 48913).

Pursuant to Board policy, a teacher may provide that the parent/guardian of a student whom the teacher has removed attend a portion of a school day in his/her child's classroom. When a teacher makes this request, the principal shall send the parent/guardian a written notice that the parent/guardian's attendance is requested pursuant to law (Education Code 48900.1).

This notice shall also ask the parent/guardian to meet with the principal after the visit and before leaving school, as required by Education Code 48900.1

Suspension by Superintendent, Principal or Principal's Designee

The Superintendent, principal or principal's designee may suspend a student from a school for not more than five consecutive school days unless the suspension is extended pending expulsion (Education Code 48911).

The Superintendent or Designee shall immediately suspend any student found at school or at a school activity to be (Education Code 48915):

1. Possessing, as verified by a district employee, or selling or otherwise furnishing a fire-arm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence;
2. Brandishing a knife, as defined in Education Code 48915 (g), at another person;
3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058;
4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under "Grounds for Suspension and Expulsion" above.

Suspension also may be imposed upon a first offense if the Superintendent, principal or designee determines the student violated items #1-5 listed in "Grounds for Suspension and Expulsion" above or if the student's presence causes a danger to persons or property or threatens to disrupt the instructional process (Education Code 48900.5).

A student may be suspended from school for not more than 20 school days in any school year, unless for purposes of adjustment a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 school days in any school year. However, this restriction on the number of school days of suspension does not apply when the suspension is extended pending an expulsion (Education Code 48903, 48912).

The Superintendent or Designee may count suspensions that occur while a student is enrolled in another school district toward the maximum number of school days for which a student may be suspended in any school year (Education Code 48903).

Suspensions shall be initiated according to the following procedures:

1. Informal Conference: Suspension shall be preceded by an informal conference conducted by the principal, designee or the Superintendent with the student and, whenever

practicable, the teacher, supervisor or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her; the student shall be given the opportunity to present his/her version and evidence in support of his/her defense (Education Code 48911 (b)).

This conference may be omitted if the principal, designee or the Superintendent determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference shall be held as soon as the student is physically able to return to school (Education Code 48911(c)).

2. Administrative Actions: All requests for student suspension are to be processed by the principal or designee of the school in which the student is enrolled at the time of the misbehavior. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or Designee.
3. Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension (Education Code 48911).

This notice shall state the specific offense committed by the student (Education Code 48900.8).

In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.

4. Parent/Guardian Conference: Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved and any other pertinent matter (Education Code 48914).

While the parent/guardian is required to respond without delay to a request for a conference about a student's behavior, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied readmission solely because the parent/guardian failed to attend (Education Code 48911).

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or Designee may, in writing, extend the suspension until such time as the Board has made a decision (Education Code 48911 (g)).

Any extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension. Extension of the suspension may be made only if the Superintendent or Designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process (Education Code 48911).

Teacher Confidential Notice Regarding Student Behavior

Current law (Education Code Section 49079) requires the teacher of a student who is engaged in, or is reasonably suspected to have engaged in, any of the acts described in any of the subdivisions, except subdivision (h) or in Section 48900.2, 48900.3, 48900.4 or 48900.7 of EC Section 48900, be so informed. Principal or designee shall provide teachers with written notice within a reasonable time frame.

Suspension by the Board

The Board may suspend a student for any of the acts listed in "Grounds for Suspension and Expulsion" above and within the limits specified in "Suspension by Superintendent, Principal or Principal's Designee" above (Education Code 48912).

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts listed in "Grounds for Suspension and Expulsion" occurred. The suspension shall meet the requirements of Education Code 48915 (Education Code 48912.5).

When the Board is considering a suspension, disciplinary action or any other action (except expulsion) against a student, it shall hold closed sessions if a public hearing would lead to disclosure of information violating a student's right to privacy under Education Code 49073-49079.

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by certified mail. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. Any discussion that conflicts with any other student's right to privacy shall be held in closed session (Education Code 35146-48912).

Authority to Expel

Only the Board may expel a student. The Board shall expel, as required by law, any student found to have committed certain offenses listed below under "Mandatory Recommendation and Mandatory Expulsion."

The Board may also order a student expelled for any of the acts listed above under "Grounds for Suspension and Expulsion" upon recommendation by the principal, Superintendent, hearing officer or administrative panel, based on finding either or both of the following (Education Code 48915 (b) and (e)):

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct;
2. That, due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others.

Mandatory Recommendation for Expulsion

Unless the principal, Superintendent or Designee finds that expulsion is inappropriate due to particular circumstances, the principal, Superintendent or Designee shall recommend a student's expulsion for any of the following acts (Education Code 48915 (a)):

1. Causing serious physical injury to another person, except in self-defense;
2. Possession of any knife (as defined in Education Code 48915 (g)), explosive or other dangerous object of no reasonable use to the student;
3. Unlawful possession of any controlled substance, as listed in Health and Safety Code 11053-11058, except the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis;
4. Robbery or extortion;
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee.

Mandatory Recommendation and Mandatory Expulsion

The principal, Superintendent or Designee shall recommend that the Board expel any student found at school or at a school activity to be (Education Code 48915 (c)):

1. Possessing, as verified by a district employee, or selling or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence;
2. Brandishing a knife as defined in Education Code 48915 (g) at another person;
3. Unlawfully selling a controlled substance listed in Health and Safety code 11053-11058;
4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under "Grounds for Suspension and Expulsion" above.

Upon finding that a student committed any of the above acts, the Board shall expel the student (Education Code 48915).

Student's Right to Expulsion Hearing

The student is entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the principal or Superintendent or Designee determines that one of the acts listed under "Grounds for Suspension and Expulsion" has occurred (Education Code 48918).

The student is entitled to one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion (Education Code 48918 (a)).

If the Board finds it impractical during the school year to comply with time requirements for conducting an expulsion hearing, the Superintendent or Designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held (Education Code 48918 (a)).

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year (Education Code 48918 (a)).

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay (Education Code 48918 (a)).

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental or emotional needs of a student who is the complaining witness (Education Code 48918.5).

Whenever the Superintendent or Designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to (Education Code 48918.5):

1. Receive five days' notice of his/her scheduled testimony at the hearing;
2. Have up to two adult support persons of his/her choosing present in the hearing at the time he/she testifies;
3. Have a closed hearing during the time he/she testifies.

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or Designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending (Education Code 48918.5).

Written Notice of the Expulsion Hearing

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include (Education Code 48900.8, 48918 (b)):

1. Date and place of the hearing;
2. Statement of the specific facts, charges and offense upon which the proposed expulsion is based;
3. Copy of district disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment. This obligation applies when a student is expelled for acts other than those described in Education Code 48915 (a) or (c);
5. Opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a non-attorney advisor. If the student or the student's parent/guardian is to be represented by legal counsel or by a non-attorney advisor, written notice must be given to the District at least five days prior to the hearing;

- Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California
 - Non-attorney advisor means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case, and has been selected by the student or student's parent/guardian to provide assistance at the hearing
6. Right to inspect and obtain copies of all documents to be used at the hearing;
 7. Opportunity to confront and question all witnesses who testify at the hearing;
 8. Opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses;

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding, the provisions of Government Code 54953 and Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such request is made, the meeting shall be public unless another student's privacy rights would be violated.

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student and the counsel of the student shall also be allowed to attend the closed session (Education Code 48918 (c)).

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including but not limited to videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television (Education Code 48918 (c)).

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made (Education Code 48918 (g)).
3. Presentation of Evidence: While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel must be supported by substantial evidence that the student committed any of the acts listed in "Grounds for Suspension and Expulsion" above. Findings of fact shall be based solely on the evidence at the hearing. While no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm (Education Code 48918 (f) and (h)).

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

4. Testimony by Complaining Witnesses: The following procedures shall be observed when hearings involve allegations of sexual assault or sexual battery by a student (Education Code 48918):
- a. Any complaining witness shall be given five days' notice before being called to testify;
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including but not limited to a parent/guardian or legal counsel, present during his/her testimony;
 - c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential;
 - d. The person presiding over the hearing may remove a support person whom he/she finds disrupting the hearing;
 - e. If one or both support persons are also witnesses, the hearing shall be conducted according to Penal Code 868.5;
 - f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose;
 - g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a non-threatening environment;
 - (1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.
 - (2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.
 - (3) The person conducting the hearing may:
 - (a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness;
 - (b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours;

- (c) Permit one of the support persons to accompany the complaining witness to the witness stand.
5. Decision within 10 School Days: The Board’s decision on whether to expel a student shall be made within 10 school days after the conclusion of the hearing, unless the student requests in writing that the decision be postponed (Education Code 48918 (a)).
6. Decision within 40 School Days: If the Board does not meet on a weekly basis, its decision on whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed (Education Code 48918 (a)).

Alternative Expulsion Hearing: Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on staff of the school in which the student is enrolled (Education Code 48918 (d)).

A hearing conducted by the administrative panel shall conform to the same procedures as apply to a hearing conducted by the Board as specified above in “Conduct of Expulsion Hearing.”

The administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the student shall be immediately reinstated. The Superintendent or Designee shall place the student in a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs after consulting with district staff, including the student’s teachers and with the student’s parent/guardian (Education Code 48918 (e)).

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order (Education Code 48918 (f)).

In accordance with Board policy, the administrative panel may recommend that the Board suspend the enforcement of the expulsion for a period of one year (See “Decision Not to Enforce Expulsion Order” below).

The Board shall make its decision about the student’s expulsion within 40 school days after the date of the student’s removal from school unless the student requests in writing that the decision be postponed (Education Code 48918 (a)).

Final Action by the Board

Whether the expulsion hearing is conducted in closed session by the Board, or an administrative panel, the final action to expel shall be taken by the Board at a public meeting (Education Code 48918 (j)).

If the Board conducts the hearing and reaches a decision not to expel, this decision shall be final and the student shall be reinstated immediately.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within a district. For a student expelled for an act listed under “Mandatory Recommendation and Mandatory Expulsion” above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred (Education Code 48916).

At the time of the expulsion order, the Board shall recommend a plan for the student’s rehabilitation, which may include (Education Code 48916):

1. Periodic review as well as assessment of the student at the time of review for readmission;
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service and other rehabilitative programs.

Written Notice to Expel

The Superintendent or Designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed in Education Code 48900 (a)-(o), Education Code 48900.2-48900.4 and Education Code 48915 (c) (Education Code 48900.8);
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916);
3. Notice of the right to appeal the expulsion to the County Board of Education (Education Code 48918);
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918);
5. Notice of the student’s or parent/guardian’s obligation to inform any new district in which the student seeks to enroll of the student’s status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918).

Decision Not to Enforce Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion, the Board shall take into account the following criteria:

1. The student’s pattern of behavior;
2. The seriousness of the misconduct;
3. The student’s attitude toward the misconduct and his/her willingness to follow a rehabilitation program.

Suspension of enforcement of an expulsion shall be governed by the following (Education Code 48917):

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class or program appropriate for the student’s rehabilitation. This rehabilitation program may provide for involvement of the student’s parent/guardian in the student’s

- education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program;
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status;
 3. Suspension of enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion" above or violates any of the district's rules and regulations governing student conduct;
 4. When suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order;
 5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings;
 6. Suspension of enforcement of an expulsion order shall not affect the time period and requirements for filing an appeal of the expulsion order with the County Board of Education;
 7. The Superintendent or Designee shall send written notice of any decision to suspend enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall also inform the parent/guardian of the right to appeal the expulsion to the County Board of Education (Education Code 48918 (j)).

Right to Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision to the County Board of Education. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion action is suspended and the student is placed on probation (Education Code 48919).

Post-Expulsion Placements

The Board shall refer expelled students to a program of study that is (Education Code 48915, 48915.01):

1. Appropriately prepared to accommodate students who exhibit discipline problems;
2. Not provided at a comprehensive middle, junior or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site;
3. Not housed at the school site attended by the student at the time of suspension.

When the placement described above is not available, and when the County Superintendent of Schools so certifies, students expelled for acts described in items #6 through #13 and #17 through #19 under "Grounds for Suspension and Expulsion" above may be referred instead to a program of study provided at another comprehensive middle, junior, or senior high school, or at an elementary school (Education Code 48915).

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any grades 7-12 (Education Code 48916.1).

Readmission after Expulsion

Readmission procedures shall be as follows:

1. On the date set by the Board when it ordered the expulsion, the district shall consider readmission of the student (Education Code 48916);
2. The Superintendent or Designee shall hold a conference with the parent/guardian and the student. At the conference the student's rehabilitation plan shall be reviewed and the Superintendent or Designee shall verify that provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be required to indicate their willingness to comply with these regulations in writing;
3. The Superintendent or Designee shall transmit his/her recommendation regarding re-admission to the Board. If information would be disclosed in violation of Education Code 49073-49079, the Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored;
4. If the readmission is granted, the Superintendent or Designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission;
5. The Board may deny readmission only if it finds that the student has not satisfied conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees (Education Code 48916);
6. If the Board denies readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school (Education Code 48916);
7. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying re-admittance into the regular program. This notice shall indicate the Board's determination of the educational program, which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district (Education Code 48916).

Maintenance of Records

The Board shall maintain a record of each expulsion, including the specific cause of the expulsion. The expulsion record shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls, within five working days of a written request by the admitting school (Education Code 48900.8, 48918 (k)).

The Superintendent or Designee shall honor any other district's request for information about an expulsion from this district within five working days (Education Code 48915.1).

Notifications to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245 (Education Code 48902).

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts, which may involve possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 629.9 and 626.10 (Education Code 48902).

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900 (c) or (d), relating to the possession, use, offering or sale of controlled substances, alcohol or intoxicants of any kind (Education Code 48902).

SUSPENSION AND EXPULSION/DUE PROCESS (Students With Disabilities):

A student identified as an individual with disabilities pursuant to the Individuals with Disabilities Education Act (IDEA) is subject to the same grounds for suspension and expulsion which apply to students without disabilities.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the district's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the district had knowledge that the student was disabled before the behavior occurred (20 USC 1415(k)(8)).

The district shall be deemed to have knowledge that the student had a disability if one of the following conditions exists (20 USC 1415(k)(8); 34 CFR 300.527):

1. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, that the student is in need of special education or related services.
2. The behavior or performance of the student demonstrates the need for such services, in accordance with 34 CFR 300.7.
3. The parent/guardian has requested an evaluation of the student for special education pursuant to 34 CFR 300.530-300.536.
4. The teacher of the student or other district personnel has expressed concern about the behavior or performance of the student to the district's director of special education or to other personnel in accordance with the district's established child find or special education referral system.

The district would be deemed to not have knowledge as specified in items #1-4 above if, as a result of receiving such information, the district either conducted an evaluation and determined that the student was not a student with a disability or determined that an evaluation was not necessary and provided notice to the parent/guardian of its determination (34 CFR 300.527).

If it is determined that the district did not have knowledge that the student was disabled prior to taking disciplinary action against the student, then the student shall be disciplined in accordance with procedures established for students without disabilities (20 USC 1415(k)(8)).

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities (34 CFR 300.527).

Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) do not constitute a change in placement pursuant to 34 CFR 300.519 (Education Code 48903; 34 CFR 300.520).

The principal or designee shall monitor the number of days, including portions of days, students with valid individualized education programs (IEP) have been suspended during the school year.

Services during Suspension

Students suspended for more than 10 school days in a school year shall continue to receive services during the term of the suspension, to the extent necessary to provide the student a free and appropriate public education (20 USC 1412(a)(1)(A); 34 CFR 300.520).

If a student with disabilities is excluded from school bus transportation, the student is entitled to be provided with an alternative form of transportation at no cost to the student or parent/guardian, provided that transportation is specified in the student's IEP (Education Code 48915.5).

Interim Alternative Placement Due to Dangerous Behavior

A student with a disability may be placed in an appropriate interim alternative educational setting for up to 45 days when he/she commits one of the following acts (20 USC 1415(k)(1); 34 CFR 300.520):

1. Carries a weapon, as defined in 18 USC 930, to school or to a school function;
2. Knowingly possesses or uses illegal drugs while at school or a school function;
3. Sells or solicits the sale of a controlled substance while at school or a school activity as identified in 21 USC 812(c), Schedules I-V;

The student's alternative educational setting shall be determined by the student's IEP team (20 USC 1415(k)(2)).

A hearing officer may order a change in placement of a student with a disability to an appropriate interim educational setting if the hearing officer (20 USC 1415(k)(2); 34 CFR 300.521, 300.522):

1. Determines that the district has established by substantial evidence, meaning beyond a preponderance of the evidence, that maintaining the current placement of the student is substantially likely to result in injury to the student or others;
2. Consider the appropriateness of the student's current placement;

3. Consider whether the district has made reasonable efforts to minimize the risk of harm in the student's current placement, including the use of supplementary aids and services;
4. Determines that the interim alternative educational setting proposed by school personnel who have met with the student's special education teacher allows the student to:
 - a. Progress in the general curriculum and continue to receive those services and modifications, including those described in his/her IEP, to enable the student to meet the goals of the IEP
 - b. Receive services and modifications designed to address the behavior and ensure that the behavior does not recur

The student may be placed in the interim alternative educational setting for up to 45 days, or until the conclusion of any due process hearing proceedings requested by the parent/guardian (20 USC 1415(k)(2)).

Behavioral Assessment and Intervention Plan

Not later than 10 business days after a student has been suspended for more than 10 school days or placed in an alternative educational setting, the district shall convene an IEP team meeting to conduct a functional behavior assessment and implement a behavioral intervention plan. If the student already has a behavioral intervention plan, the IEP team shall review the plan and modify it as necessary to address the behavior (20 USC 1415(k)(1); 34 CFR 300.520).

As soon as practicable after developing the behavioral intervention plan and completing the required assessments, the IEP team shall meet to develop appropriate behavioral interventions to address the behavior and shall implement those interventions (34 CFR 300.520).

Procedural Safeguards/Manifestation Determination

The following procedural safeguards shall apply when a student is suspended for more than 10 consecutive school days, when disciplinary action is contemplated for a dangerous behavior as described above, or when a change of placement is contemplated (20 USC 1415(k)(4); 34 CFR 300.523):

1. The parents/guardians of the student shall be immediately notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504 on the day the decision to take action is made.
2. Immediately if possible, but in no case later than 10 school days after the date of the decision, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action.
 At this review, the IEP team and other qualified personnel shall consider, in terms of the behavior subject to the disciplinary action, all relevant information, including (20 USC 1415(k)(4); 34 CFR 300.523):
 - a. Evaluation and diagnostic results, including the results or other relevant information supplied by the student's par-

- ents/guardians;
- b. Observations of the student;
- c. The student's IEP and placement.

In relationship to the behavior subject to the disciplinary action, the team shall then determine whether the IEP and placement were appropriate and whether supplementary aids, services, and behavioral intervention strategies were provided consistent with the student's IEP and placement. The team shall also determine that the student's disability did not impair the ability of the student to understand the impact and consequences of the behavior, nor did it impair his/her ability to control the behavior subject to the disciplinary action (20 USC 1415(k)(4); 34 CFR 300.523).

If the team determines that the student's behavior was not a manifestation of his/her disability, then the student may be disciplined in accordance with the procedures for students without disabilities, as long as the student continues to receive services to the extent necessary to provide that student a free and appropriate public education (20 USC 1415(k)(4); 34 CFR 300.524).

If the team determines that the student's behavior was a manifestation of his/her disability, then the student's placement may be changed only via the IEP process. (20 USC 1415(k)(4))

Due Process Appeals

If the parent/guardian disagrees with a decision that the behavior was not a manifestation of the student's disability or with any decision regarding placement, he/she has a right to appeal the decision (20 USC 1415(k)(6); 34 CFR 300.525).

If the student's parent/guardian initiates a due process hearing to challenge the interim alternative educational setting or the manifestation determination, the student shall remain in the interim alternative setting pending the decision of the hearing officer or the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise (34 CFR 300.526).

If school personnel maintain that it is dangerous for the student to be placed in the current placement (placement prior to removal to the interim alternative education setting), during the pendency of the due process proceedings, the Superintendent or designee may request an expedited due process hearing (34 CFR 300.526).

Services during Expulsion

Expelled students shall continue to receive services during the term of the expulsion to the extent necessary to provide the student a free and appropriate public education. Any alternative program must provide services to the extent necessary to enable the student to appropriately progress in the general curriculum and appropriately advance toward achieving the goals set out in the student's IEP (20 USC 1412(a)(1)(A); 34 CFR 300.121, 300.520).

Readmission

Readmission procedures for students with disabilities shall be the same as those used for all students. Upon readmission, an IEP team meeting shall be convened.

Suspension of Expulsion

The Board's criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students (Education Code 48917).

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245 (Education Code 48902).

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10 (Education Code 48902).

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering or sale of controlled substances, alcohol or intoxicants of any kind (Education Code 48902).

RECOMMENDED DISCIPLINARY ACTION

The Guidelines for Administering Discipline to Students Who Have Violated Standards of Student Behavior can be found in the APPENDIX I of this document. These guidelines provide additional detail relative to specific acts committed by students and a spectrum of possible actions that shall be appropriate for a specific violation of law or district/school regulations. Within the minimum to maximum actions indicated in the guidelines, the administration shall determine the most effective action based upon knowledge of the facts of the incident and the concept of progressive discipline as an appropriate educational experience.

STUDENT GUIDE TO UNDERSTANDING AND AVOIDING HARASSMENT

Information from the Student Guide to Understanding and Avoiding can be found in Appendix II. It addresses providing an equal opportunity for all pupils to experience a harassment free environment while in school. Specifically, E.C. 45 (a) states: All pupils have the right to participate fully in the educational process, free from discrimination and harassment. A definition of harassment is the unwanted and unwelcome behavior from other students or staff members, which interferes with another individual's life. When it is sexual in nature, then it is considered to be "sexual harassment". When it is racial in nature, then it is considered to be "hate-motivated behavior" or sometimes a "hate crime". Regardless, the District will not tolerate any form of harassment in the schools or at the workplace. Disciplinary action will be taken promptly against any student engaging in unlawful acts of sexual harassment or hate violence. Examples of actions that interfere with a person's education that are prohibited for both students and staff include (E.C. 48900.2, 48900.4, and 48980(h)):

1. Unwanted touching

2. Obscene comments
3. Physical threats
4. Obscene gestures
5. Indecent exposure
6. Sexual innuendos
7. Gender specific comments
8. Requests for sexual favors
9. Racial-specific comments
10. Suggestive looks

RULES AND REGULATIONS

A. CHEATING POLICY

The Beverly Hills Unified School District believes that the school and home are engaged in a partnership to teach the values of integrity, truth, personal accountability, and respect for the rights of others.

Cheating – Definition

Students should understand that, among other things, cheating includes communicating with another student during an exam, copying material during an exam, allowing another student to copy from their exam paper, using unauthorized notes or devices, submitting falsified information for grading purposes, obtaining and supplying a copy and/or information about an exam without the knowledge and consent of the teacher, submitting a paper written by another person, copying another person's assignment(s), allowing another student to copy an assignment, or taking home exams without the knowledge and consent of the instructor.

This should not prevent K-12 students from working together on their assignments or homework, unless specifically told not to do so by the teacher. High school students should not work together on their assignments or homework unless the teacher has specifically given them permission to do so. Cheating here is defined as misrepresenting another's work as your own.

Consequences for Cheating

The consequences for cheating shall be clearly explained to all students. All teachers must adhere to the following procedures, however, consequences appropriate to the individual case will always be considered:

1. First Infraction

- a. Student grade is lowered: (1) if the cheating occurs on an exam, a zero grade for that exam shall be included in a student's average. (2) if the cheating occurs on an activity other than an examination, the equivalent of a zero grade on that activity shall be included in the student average;
- b. Teacher informs the parent;
- c. Referral to assistant principal. Appropriate counseling steps should be taken;

- d. Conduct mark is to be lowered;
2. **Second Infraction** – Any second infraction in a course shall result in the following:
- a. Conference with assistant principal, counselor, parent, student and teacher;
 - b. A zero grade shall be given for the test/ quiz/ assignment;
 - c. A record will be placed in the student’s guidance folder;
 - d. 30 hours of community service will be assigned by an administrator (BHHS only);
 - e. Conduct mark is to be lowered.
3. **Third Infraction in the Same Course**
- a. Student will receive a failing semester grade;
 - b. The student will be assigned an additional 50 hours of community service (BHHS only);

If a student steals, sells or buys (or offers to sell or buy) a final examination or has unauthorized possession of a final examination, a parent conference will be called, a suspension will be assigned, and the student will fail the course.

If a student steals keys (has unauthorized possession of keys) or is involved in illegal school entry, an administrator is to be notified immediately. The school administration will notify the Beverly Hills Police Department, the student will be suspended, a parent conference will be called, and the student will fail the course. Where appropriate, expulsion procedures will be initiated.

Of course, it is our hope that through discussion and diligence the consequences associated with cheating will not have to be initiated.

Policies for Cheating K-8

The Beverly Hills Unified School District believes that the school and the home should be engaged in a partnership to teach the values of integrity, truth, personal accountability and respect for the rights of others.

Cheating- Defined

Students should understand that, among other things, cheating includes communicating with another student during an exam, copying material during an exam, allowing another student to copy from their exam paper, using unauthorized notes or devices, submitting falsified information for grading purposes, obtaining and supplying a copy and/or information about an exam without the knowledge and consent of the teacher, submitting work written by another person (except as outlined below *), submitting work written by the student for another assignment without the instructor’s knowledge or consent (self-plagiarism), copying another person’s assignment (s), allowing another student to copy his or her assignment, or taking home exams without the knowledge and consent of the instructor.

** When a student submits an assignment, that assignment should be only his or her own work unless the teacher has specifically set up the assignment as a group project or other collaborative assignment. In such cases, the names of all students involved in the group process should be listed on the assignment. If the teacher has not designated the assignment as a group project, submitting an assignment written by more than one person is **plagiarism**.*

Consequences for Cheating (Middle School):

First Infraction:

- a. The test or assignment on which the cheating occurred will receive a grade of zero;
- b. Conduct mark may be lowered;
- c. Referral will be made to assistant principal;
- d. Parent will be notified by the teacher and a conference will be held with the assistant principal, teacher, parent and student. Student and parent will sign a contract to acknowledge consequences for further infractions.

Second Infraction:

- a. The student will receive a grade of F in the class;
- b. Conduct mark will be lowered;
- c. Referral will be made to assistant principal;
- d. Parent will be notified by the teacher and a conference will be held with assistant principal, counselor, parent, student and teacher;
- e. The student will be suspended.

Consequences for cheating (high school) :

First Infraction:

- a. The assignment will not count in the grade calculation;
- b. Referral will be made to the assistant principal;
- c. Parent will be notified by the teacher and a conference will be held with the teacher and the student.

Second infraction:

- a. The assignment will not count in the grade calculation;
- b. Conduct mark may be lowered;
- c. Referral will be made to the assistant principal;
- d. Cheating will be noted in the comment section of the report card;
- e. Student may be suspended.

B. ACADEMIC ELIGIBILITY EXTRA CURRICULAR ACTIVITIES

1. Students who wish to participate in an extra-curricular activity must achieve at least a 2.0 G.P.A. on the last report card prior to the season or production period. If a report card is issued during a season or production period, a student must remain eligible in order to continue to participate. All students must qualify on both of the following:

- a. G.P.A. will be computed using all classes in which a student is enrolled. The grade point average will be determined by the following point system:
A = 4 points; B = 3 points; C = 2 points; D = 1 point; F = 0 points
 - b. Each student is required to pass 20 credits of new work (a make-up class is excluded) during the reporting period. Only one of the subjects may be Physical Education.
2. Entering ninth graders are scholastically eligible.
 3. Students with a 2.0 G.P.A. who receive an "F" grade shall be placed on academic probation for 10 weeks during which time extra-curricular participation is permissible. If after 10 weeks the student has an "F" grade in any subject area caused by poor attendance, inappropriate behavior and/or lack of effort, the student is ineligible to participate in extra-curricular activities.
 4. Students shall be given the opportunity to re-establish eligibility by making up an "F" grade or G.P.A. of less than 2.0 in summer school. Physical Education is counted only once.

MISCELLANEOUS ACADEMIC PROVISIONS

An "Incomplete" (I) grade is considered a failure (F) until the required work is completed. The G.P.A. will then be recomputed.

EXCEPTION PROCEDURES

1. Students with less than a 2.0 G.P.A. and/or those who have failed one subject in the second ten-week period, except those who have failed two or more subjects, may (on appeal) be allowed to continue in the extra-curricular activity for ten weeks to bring their G.P.A. up to a 2.0 and/or eliminate the "F" grade.
2. The principal may grant such an exception in extenuating circumstances only if low grades were not a result of poor attendance and/or behavior and "lack of effort." However, under no circumstances may an exception to the 2.0 G.P.A. rule be made for more than ten weeks.

C. CITIZENSHIP

Students who have two or more unsatisfactory citizenship marks on their report cards at the quarter will be ineligible until the next grading period.

D. ATTENDANCE

Any students who have five or more truanancies in any one class will be ineligible.

E. TUTORIAL

The staff will provide for continuous and timely monitoring of student attendance, academic achievement, and citizenship. Students with a 2.0 G.P.A. who have received D's or F's will be counseled and tutored to improve academic performance.

C. DRESS CODE/GANG APPAREL

Student dress and grooming should enhance comfort, provide for a feeling of individuality, and allow for pursuit of current fashions. While it is considered that formal education is a serious process, that students are in the process of securing an education, and that the atmosphere of the school should be conducive to learning, the Board of Education hopes that parental judgment and student self-discipline will result in the ultimate goal of steadily decreasing administrative control and enforcement in the areas of student dress and grooming.

Students may use sunscreen during the school day, without a physician's note or prescription.

Dress Code (Beverly Hills High School):

- No revealing clothing. Students shall not wear sheer blouses, bare midriff or revealing tank tops.
- Short skirts and short shorts are not allowed.
- Leggings or tights must be covered by shorts, dress, or skirt.

First Infraction:

- Referral to assistant principal for change of clothing. Parent will be contacted.

Second Infraction:

- Referral to assistant principal. Parent must bring a change of clothes and meet with assistant principal.

Third Infraction:

- Referral to assistant principal. Student may be suspended.

Standards at the High School are as follows:

1. Student dress and grooming for daily school attendance should meet the minimum legal requirements concerning footwear, cleanliness, health, and exposure;
2. Students shall not wear attire, which suggests gang affiliation or has inappropriate logos;
3. Students shall not wear clothes showing bare midriffs, spaghetti-straps, slip dresses, halter tops, tank tops, oversized baggy pants, wallet chains that hang from pants, stocking caps, bandanas, or hanging belts;
4. Students shall project a business-like manner in their attire;
5. Appropriate school dress is the only acceptable attire for after school events.

Parents may be called if standards are not met and students may be required to return home to change into more suitable attire.

G. BICYCLE RULES

Students in grades 4-12 are permitted to ride bicycles to school. All bicycles must be registered with the Beverly Hills Police Department and licenses must be carried on the bicycle.

Students may not ride bicycles or skate boards on school grounds. Coasting with one foot is considered riding.

Students must wear helmets when they ride bicycles to and from school.

H. BUS CONDUCT

Upon registration, parents or guardians of pupils not previously transported in a school bus in grades pre-kindergarten, kindergarten and 1-6, inclusive, shall be provided with written information on school bus safety as specified (EC 39831.5).

I. PUPIL ACCESS TO INTERNET AND ON-LINE SITES

Electronic Communication Acceptable Use

Personal Responsibility: The Beverly Hills Unified School District encourages the use of technology including Internet access to provide learning and communication opportunities for students to support Beverly Hills Unified School District's (BHUSD) educational mission. Since the Internet is a vast and expanding resource that holds appropriate and inappropriate opportunities for students, this policy is set forth to communicate student expectations for acceptable use.

Students should be aware that computer files and communications over electronic networks including email and voice mail are not private. The district reserves the right to monitor these systems at any time without advance notice or consent.

Privileges: The use of technology at BHUSD is a privilege, not a right. The employees of BHUSD may request that the system administrators deny, revoke, or suspend specific user access. GUIDELINES FOR ADMINISTERING DISCIPLINE TO STUDENTS WHO HAVE VIOLATED STANDARDS OF STUDENT BEHAVIOR

Standards of student behavior within the Beverly Hills Unified School District shall be enforced at the discretion of the administration within the general guidelines as set forth below.

The listing of minimum and maximum actions does not imply or require that a "step-by-step" progression of increasing severity be employed by an administrator in dealing with a violation. Disciplinary action shall be dependent upon the situation and the previous behavior record of the student.

The schedule of actions possible with an infraction of regulations is:

APPENDIX II

STUDENT GUIDE TO UNDERSTANDING

AND AVOIDING HARASSMENT

Why is this topic so important?

Many people have been called rude or obscene names and maybe even been threatened because of their religion, race or simply because they are a boy or a girl. This guide is designed to remind everyone that "harassment" of any kind is not acceptable behavior at any time and is against school rules. "Harassment" is not welcome in the Beverly Hills Unified School District!

WE BELIEVE THAT EVERY STUDENT HAS THE RIGHT TO LEARN

- * Without being called names and
- * Without being threatened because they are a boy or a girl, or from a certain religion or race

What is harassment?

Harassment is unwanted and unwelcome behavior from other students or staff members, which interferes with another person's life. When it is sexual in nature, it is "sexual harassment." When it is racial in nature, it is "hate-motivated behavior" or sometimes a "hate crime." It is against the rules for students to make remarks that embarrass others or make them feel uncomfortable because of actions or remarks that are sexual or racial in nature.

What are some actions that interfere with a person's education and are not allowed?

- * Unwanted touching
- * Obscene comments
- * Physical threats
- * Obscene gestures
- * Indecent exposure
- * Sexual innuendos
- * Gender specific comments
- * Requests for sexual favors
- * Racial-specific comments
- * Suggestive looks

What should you do if you feel that you have been harassed?

1. Tell a teacher, counselor or school administrator

When telling what happened, be specific. ANY REPORT YOU MAKE IS PRIVATE. You may bring a parent or guardian with you, if you would like. The information you give is private and will not be made public, unless you talk about it yourself with others. Any witnesses will be told to keep the information about the situation to themselves, too.

2. Do not worry about someone "getting even" with you for telling

The school will support you and investigate your concern quickly. School administrators will do their best to make sure no one tries to "get even."

3. Tell the truth

Any student who falsely accuses another student or staff member of sexual or racial harassment is subject to disciplinary action.

What happens next?

A harassment complaint is usually settled at the school, but sometimes it will be reviewed at the District Office. An investigator will be assigned and will communicate with those individuals who can help to sort out the facts. The investigator will determine whether harassment has occurred, prepare a report about the situation and give the information to your principal. Your principal will then suggest a solution or remedy. Finally, if things are not settled, you have the right to submit your concern to the District Office.

APPENDIX III

NONDISCRIMINATION AND SEXUAL HARASSMENT POLICY

Nondiscrimination

The Governing Board is committed to equal opportunity for all individuals in education. District programs and activities shall be free from discrimination based on Sex, Race, Color, Ancestry, Religious Creed, National Origin, Physical Disability (including HIV and AIDS), Mental Disability, Medical Condition (cancer related), Age (over 40), Marital Status, Vietnam-era Veteran Status, or Actual or Perceived Sexual Orientation and Denial of Family Care Leave. The Board shall promote programs that ensure the discriminatory practices are eliminated in all district activities.

Any student who engages in discrimination of another student or anyone from the district may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in discrimination may be subject to disciplinary action up to and including dismissal. If disciplinary action is needed, the progressive discipline steps may be followed, including as appropriate: warning, reprimand, suspension and dismissal.

Any student, staff member, or parent who feels that discrimination has occurred should immediately contact the teacher, principal, or the Assistant Superintendent, Human Resources. If the concern is not resolved, a formal complaint may be initiated at the school or by directly contacting the Human Resources office. Copies of the Uniform Complaint Form may be obtained from the school office or the District's Human Resources office.

Therefore, the Board shall not tolerate the sexual harassment of any student by any other student or any District employee. Any student who is found guilty of sexual harassment shall be subject to disciplinary action.

Teaching the value and importance of mutual respect and understanding of both sexes shall be a part of the K-12 instructional program. Such instruction shall be made a part of the curriculum design in age appropriate ways.

Employees and supervisors should complete the Incident Report and report to law enforcement any attack, assault or threat made against them on school/District premises or at school/District-sponsored activities.

APPENDIX VII

ANTI-HARASSMENT/ANTI-INTIMIDATION POLICY

The Beverly Hills Unified School Board of Education affirms the right for all students, staff, and parents and guardians to be free from hate crimes, abusive statements, or any activity which degrades the unique qualities of an individual, such as race, ethnicity, culture, heritage, sexuali-

ty, physical/mental attributes, religious beliefs and practices. Such verbal or physical acts are damaging to one's self-esteem and will not be tolerated on any District campus or at any school activity whether on or off campus. The Board encourages the superintendent and staff to develop programs, which enhance self-esteem, raise awareness and sensitivity, and foster respect for individuals and their unique qualities.

The Board recognizes that such hate-crime statements, threats, physical assaults, or damage to property are inflammatory to those victimized by such acts and jeopardizes the safety and well being of students and staff. The Board authorizes the staff to discipline students involved in such acts, including suspensions and recommendation for expulsion.

The District will not tolerate any act of harassment or intimidation including gestures, comments, threats or actions, wither written, verbal or physical, which cause, threaten to cause or are likely to cause bodily harm or personal degradation on any District campus or at any school activity whether on or off campus.

The consequences of these actions may include a broad range of disciplinary measures as appropriate; however, every effort will also be taken to provide or locate appropriate assistance for both the victim and the offender.

Initial Response and Reporting Expectations

The District expects all employees, if they observe or become aware of an act of intimidation, to take immediate, appropriate steps to intervene.

If, in the opinion of the employee, the matter has not been resolved, then the situation must be reported to an administrator for further investigation.

The District expects students, parents and other community members who observe or become aware of a serious act of harassment/intimidation to report this act to a school administrator for further investigation.

Investigation and Response

Any incident, which may constitute an act of harassment/intimidation, which is reported to the principal, shall be thoroughly investigated by the site administrator or designee. Consequences shall be commensurate with the results of the investigation. This may include, but is not limited to, counseling, parent conference, detention, involuntary transfer, a formal suspension and/or expulsion of the offender. The parent or guardian shall be contacted and may be asked to attend a conference with school officials.

If the parent or guardian does not attend the conference, the site administrator shall send a letter informing the parent of the actions under consideration and notifying parent of all data pertinent to the action.

Depending on the severity of the incident, the administrator shall take appropriate steps to insure campus safety. This may include any or all of the following: implement an immediate safety plan; isolate and supervise involved students; provide staff support for involved students as necessary; report incident to law enforcement, if appropriate; notify the parents/guardians of both the offender and the victim and develop supervision plan with parents.

If the act of harassment/intimidation is deemed to warrant a suspension, expulsion or involuntary transfer to another school, then the matter will be processed in accordance with Board Policy 5045.

Assessment and Intervention

An administrative contact will be made with the victim and offender prior to resuming regular schedule of classes. If deemed necessary, the administrator or designee may convene a multi-disciplinary team to further assess and determine the need for ongoing support for the victim or the offender.

Depending upon the severity of the harassment/intimidation, an investigation might include: review of school records; identification of parent and family issues; and interviews with students, parents, and school staff. A multi-disciplinary team consisting of school staff, counselor/psychologist, parent, student, and other agency personnel as appropriate, will develop a behavior support plan.

The support plan may include any or all of the following: a case manager, counseling services (site, district and/or community resources); parenting skills classes; and other additional support services as deemed appropriate. The case manager will maintain a record of the services provided.

School Follow-up

The case manager has a responsibility to follow up and evaluate the behavior support plan. The case manager will compile a report to the site administrator on the process, resources used, and the follow up procedure involving the victim and the offender.

A copy of the behavior plan and follow-up report will then be forwarded to the Coordinator of Child Welfare and Attendance.

APPENDIX VIII

STUDENT CONDUCT POLICY

The Governing Board believes that all students have the right to be educated in a positive learning environment free from disruptions. On school grounds and at school activities, students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program.

Behavior is considered appropriate when students are diligent in study, careful with school property, courteous, and respectful towards their teachers, other staff, students and volunteers. The Superintendent or designee shall ensure that each school site develops standards of conduct and discipline consistent with district policies and administrative regulations.

Students and parents/guardians shall be notified of district and school rules related to conduct and shall receive regular instruction regarding these rules. In addition, parents/guardians and students may be provided information about early warning signs of harassing/intimidating behaviors as well as prevention and intervention strategies.

Prohibited student conduct includes but is not limited to:

1. Behavior that endangers staff and/or students
2. Behavior that disrupts the orderly classroom or school environment
3. Harassment of students or staff, including bullying, intimidation, hazing, or any other verbal, written or physical conduct that causes or threatens to cause bodily harm or emotional suffering
4. Damage to or theft of property belonging to the district, staff or students
5. Possession or use of laser pointers, unless used for a valid instructional or other school-related purpose, including employment (Penal Code 417.27)
Prior to bringing a laser pointer on school premises, students shall first obtain permission from the principal or designee. The principal or designee shall determine whether the requested use of the laser pointer is for a valid instructional or other school-related purpose.
6. Profane, vulgar or abusive language
7. Plagiarism or dishonesty in school work or on tests
8. Inappropriate dress
9. Tardiness and unexcused absence from school
10. Failure to remain on school premises in accordance with school rules

Student Use of Electronic Signaling Devices

It is the intent of the Board of Education, in exercising its authority to regulate the use of elec-

tronic signaling devices, to establish guidelines and regulations that will ensure the continuation of a positive climate for learning, free from unnecessary disruptions. The Board recognizes that, as the technology of wireless communication in our society has evolved there is now widespread use of electronic signaling devices, including cellular and digital telephones and pager devices, among our student population that has previously been prohibited.

The Board believes that, although recent changes in state law no longer prohibit students from possessing or using signaling devices, restrictions on their use on a school campus must exist to ensure that such use does not infringe upon the rights of others or interfere with classroom instruction or other school activities.

The Board does not encourage student possession or use of electronic signaling devices on a school campus nor does it assume liability if such devices are damaged, lost, or stolen. Students are prohibited from using such devices in the classroom or in a school environment where such use would infringe on the rights of another student or staff member or would interfere with the school program. Cellular telephones are to be turned off in the classroom, during passing periods, and during school activities in which their use would cause a disruption. Students who use these devices on campus shall do so only before school, during Nutrition, Lunch, and after school. The Board encourages students to use cellular telephones for family business and emergency purposes only.

If the privilege of using these devices at school is abused and the possession or use of an electronic signaling device violates this policy, the school has the right to revoke the privilege and prohibit a student from possessing such a device. The principal/designee is responsible for including violations of this policy in the school discipline plan as appropriate.

No recording devices, including but not limited to, photo/video cell phones, tape/digital recorders, cameras of any kind, are to be on campus without prior written approval of the site administrator.

No pupil shall be prohibited from possessing or using an electronic signaling device that is determined and documented by a licensed physician and/or surgeon to be essential for the health of the pupil and use of which is limited to purposes related to the health of the pupil.

Enforcement of Standards

Employees are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of a violation of these standards, to immediately intervene or call for assistance. If an employee believes a matter has not been resolved, he/she shall refer the matter to his/her supervisor or administrator for further investigation.

Students who violate district or school rules and regulations may be subject to discipline, including but not limited to suspension, expulsion or transfer to alternative programs in accordance with Board policy and administrative regulation. In addition, when the conduct involves intimidation, harassment, or other endangerment of a student or employee, the Superintendent or designee shall provide appropriate assistance as necessary for the victim and the offender or make appropriate referrals for such assistance.

All K-8 Beverly Hills Schools are cell phone free zones. Cell phones may not be seen or heard at any time during the school day in any location. Cell phones may not be used inside the buildings after school.
