At the time of publication, this report met all SARC-related state and federal requirements using the most current data available. Instructional materials were acquired in December 2015 and school facilities documentation referred to in this report was acquired in January 2016.*

### PRINCIPAL'S MESSAGE

Dear Hawthorne Families and Friends,

We are excited to begin the new school year with continuing students and new members of the Hawthorne community. At Hawthorne, we are proud of our tradition of excellence and our dedication to the success of every student. Each of our students is encouraged to be the best that they can be in a caring and supportive environment. In 2014, Hawthorne School received the California Distinguished School Award. The school's outstanding performance led to the 2015 recognition as Schools to Watch by the National Forum to Accelerate Middle-Grades Reform, a U.S. Department of Education grantee.

Hawthorne School is fortunate to have outstanding teachers and staff, working together with committed families to achieve common goals for our students and our school. We value the home-school partnership and are grateful for the support of our PTA in providing funding for special programs and events. All families are encouraged to participate in the PTA and become active participants in our school community.

Please be sure to review all of the important information on the Hawthorne School website. Sign up for the PTA newsletter so you can receive weekly newsletters and other important updates.

I know that we all look forward to the new school year with excitement and anticipation. Our shared responsibility and commitment to excellence is what makes Hawthorne School such a special place.

### DISTRICT PROFILE

Beverly Hills Unified School District is located in the western portion of Los Angeles, just below the Santa Monica mountains and next door to West Hollywood. Approximately 4,200 students in grades kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of four K-8 schools, one comprehensive high school, and one continuation high school.

### DISTRICT MISSION

The mission of Beverly Hills Unified School District is to inspire and empower each student to achieve academic excellence, embrace social and individual responsibility, and lead with integrity. To these ends, Beverly Hills Unified School District provides dynamic and enriching educational opportunities, collaborative community partnerships, and challenging and supportive learning environments.

### SCHOOL PROFILE

Hawthorne School is located in the northwest region of the district's boundaries and considered a neighborhood school. During the 2014-15 school year, Hawthorne School served 671 students in grades K-8. Student enrollment included 9.1% receiving special education services, 4.2% qualifying for English Language Learner support, and 7.7% enrolled in the free or reduced-price meal program. The curricular program for K-5 students is provided in a self-contained classroom enriched with art, music, physical education, and technology instruction. Middle school students (grades 6-8) are in a "school within a school" setting, receiving instruction in a homeroom and rotating between classes for individual subject area lessons.

### SCHOOL MISSION

The mission of Hawthorne School is to provide a nurturing atmosphere of acceptance, mutual trust and respect, which meets the diverse needs of our students. The entire school community strives for all children to realize their maximum academic and social potential through shared learning with teachers, parents, and staff, and are challenged to meet or exceed standards. They are given the skills and knowledge to both excite their imagination and to inspire lives of continuous learning. Students learn to assimilate the positive values of a democratic society.

## LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

**Conditions of Learning – State Priority 1:** Covered in Teacher Assignment, including the Teacher Credentials & Misassignments & NCLB Compliance charts; Instructional Materials, including the Textbooks chart; and School Facilities & Safety, including the Campus Description and School Facility Good Repair Status charts.

**Parental Involvement – State Priority 3:** Covered in Parent Involvement.

**Pupil Achievement – State Priority 4:** Covered in Standardized State Assessments, including the CST Results and CAASPP charts; and Career Technical Education (CTE) Programs (Workforce Preparation), including the CTE Program Participation and UC/CSU charts.

**Pupil Engagement – State Priority 5:** Covered in Dropout & Graduation Rate, including Dropout & Graduation Rate and Completion of High School Graduation Requirements charts.

**School Climate – State Priority 6:** Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

**Other Pupil Outcomes – State Priority 8:** Covered in California High School Exit Exam, including the CAHSEE charts; and Physical Fitness, including the Physical Fitness Test chart.

## PARENT INVOLVEMENT

Parents are encouraged to become involved in Hawthorne School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. Parents may volunteer their assistance in the classroom, and other areas of the school. Back to School Night, Open House, student performances, family nights, fundraisers, Reflections contest, Spirit Day, grade level socials, the magazine drive, Spell for Success, service learning, multicultural activities, and Pajama-rama provide opportunities for parents to interact with school staff while supporting their child's efforts. The School Site Council, Parent Teacher Association, and Friends of Hawthorne provide opportunities for parents to have input on curricular programs and financial planning.

Parents seeking more information about becoming an active member in the school community may contact the school office, their child's teacher, the PTA president, or school administrator at (310) 229-3675.

School-to-home communication takes place in a variety of formats. The weekly online PTA newsletter is published on Wednesdays throughout the year and provides up-to-date information on Hawthorne's programs and events. Our school website is updated frequently with important information about school activities, special announcements, and a calendar of events. Parents may access Hawthorne School's website at <http://haw.bhusd.org>; general information about the school, staff, activities, homework, and school news is updated weekly. Teachers post class and homework assignments on the school's website. Parents can sign up at the website to be on the Principal's News List and receive announcements and the weekly school bulletin via e-mail. BlackBoard Connect is an Internet-

based telephone messaging system that forwards personalized messages from school staff to each student's home. Additionally, middle school students and their parents may view grades which are updated frequently at [jupitergrades.com](http://jupitergrades.com). Parents and students may set preferences for grading alerts to be received via email.

## STUDENT ACHIEVEMENT

### ADEQUATE YEARLY PROGRESS

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessments by 2014. Meeting AYP milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups. The 2015 AYP report indicators include a target of 95% participation rate, 90% attendance rate, and 90% graduation rate. The percent proficient category is not applicable (N/A) for 2015 because the Department of Education (ED) granted California a one-year waiver that allows AYP determinations to exclude the percent proficient.

The AYP table in this report illustrates the school's progress in meeting 2014-15 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

### PHYSICAL FITNESS

In the spring of each year, Hawthorne School is required by the state to administer a physical fitness test to all students in fifth and seventh grades. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in at least five of the six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website <http://www.cde.ca.gov/ta/tg/pfi/>.

### NO CHILD LEFT BEHIND (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2014-15, Hawthorne School received Targeted Assistance Title I funding and is therefore required to comply with program mandates. Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals.

California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website <http://www.cde.ca.gov/ta/ac/ay/>.

### CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

California Assessment of Student Performance and Progress (CAASPP) Tests assess student performance in English language arts/literacy and mathematics in grades 3 through 8 and 11 utilizing computer-adaptive tests and performance tasks. This system is based on the Common Core State Standards (CCSS) and is part of the Smarter Balanced Assessment System. The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable grade level and subgroup. Results are shown only for subgroups with ten students or more taking the

**CALIFORNIA STANDARDS TESTS (CST)**  
The California Standards Test (CST) assesses student performance in science in grades 5, 8 and 10. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level.

The CST tables in this report illustrate the percentage of students achieving Proficient and Advanced levels. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the CST tables, no students met subgroup criteria. More information on CSTs can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/sr/cstsciref.asp](http://www.cde.ca.gov/ta/tg/sr/cstsciref.asp).

## SCHOOL FACILITIES & SAFETY

### FACILITIES PROFILE

Hawthorne School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1928; since that time, new structures have been added and outdated buildings replaced. In the last 12 months, the following repair and/or improvement projects have been completed:

- 2014-15 Campus Improvements:
- Installation of new wireless access points and network
  - Installation of interactive projectors
  - Installation of a new electrical system

### MEASURE E BOND

In November 2008, the Beverly Hills community approved a \$334 million general obligation bond (Measure E) to facilitate modernization and safety-related upgrades of Beverly Hills Unified School District's elementary and high school facilities. During the 2014-15 school year, the electrical distribution replacement project was completed, and the modernization plan was completed and approved by the Board in June 2015.

## SUPERVISION & SAFETY

The Beverly Hills Police Department provides one police officer for traffic control in the morning and after school. Three crossing guards are on duty as students travel to and from school. Playground aides monitor K-8 playground areas before school and during recesses. When students are dismissed at the end of the day, playground aides and Beverly Hills City safety personnel ensure students depart in a safe and orderly manner. The principal, custodian, school office, and school nurse carry hand-held radios to facilitate routine and emergency communications concerning student safety. Regular meetings and trainings are held with playground aides to review safety procedures and protocols.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in and receive a visitor's badge at the school office upon arrival.

## FACILITIES INSPECTION

Hawthorne School works closely with the district's Maintenance & Operations Department (M&O) for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Hawthorne School took place on January 19, 2016. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas, disclosing the operational status in each of those areas.

## SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Hawthorne School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The most current school site safety plan was reviewed, updated, and shared with school staff in September 2015.

## FACILITIES MAINTENANCE

School custodial staff and the district's maintenance and operations department (M&O) work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Monthly

M&O meetings facilitate discussions concerning safety issues, maintenance needs, cleaning practices, and training. Custodians are required to comply with Beverly Hills Unified School District's approved cleaning standards and policies outlined in the custodial handbook. Parents who wish to review the district's policies may contact the Maintenance & Operations Department or Hawthorne School's office.

Maintenance & Operations (M&O) employs a work order process enabling staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and staff submit requests to the school's office manager who prepares and forwards an electronic work order to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff; general requests are typically addressed within two weeks.

Campus facilities are cleaned daily; one full-time lead custodian, three full-time evening custodians are assigned to Hawthorne School and work closely with the administration for routine maintenance, daily custodial duties, and preparation for special events. The principal and day custodian communicate daily regarding campus cleaning needs and safety concerns. Every morning before school begins, the lead custodian inspects the facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds.

The lead custodian is responsible for general upkeep of campus and keeping restrooms, classrooms, office, cafeteria, and other facilities in an orderly and secure condition. The lead custodian checks restrooms frequently throughout the day to ensure they are clean and adequately stocked. The evening custodians are responsible for comprehensive cleaning of classrooms, restrooms, offices, cafeteria, and other facilities. Quarterly site inspections are completed with maintenance and custodial staff to identify potential safety hazards.

The groundskeeper is responsible for all general landscaping and irrigation projects and repairs at Hawthorne School.

## CLASSROOM ENVIRONMENT

### DISCIPLINE & CLIMATE FOR LEARNING

School staff support an environment that teaches students, through the daily curriculum, the skills to resolve conflicts and take responsibility for their decisions. Every student is given the opportunity to learn from their mistakes and correct unacceptable behavior. Discipline policies are viewed as a tool to help students make good choices and experience success in school.

Character education instruction and discipline models are based upon the district's character education program, the *Beverly Hills Way*, which is comprised of five components – respect, responsibility, integrity, caring, and citizenship – taught through the curriculum over a five-year period. Each year, one of the five character traits is emphasized in themed activities and class discussions. For K-5 students, behavior traits are embedded in daily classroom lessons and referenced throughout the day in a variety of settings. All school staff encourage students to practice the *Beverly Hills Way* behavior while at school and at home. Additionally, the John Wooden Pyramid of Success is used as a teaching tool in many of the classrooms.

Teachers have established grade-appropriate classroom management and incentive programs based on Hawthorne's School Standards & Behavior Plan to maintain an effective learning environment; parents and students are required to sign the plan's acknowledgement form to confirm receipt and understanding. School and classroom rules are posted in each classroom. At the beginning of the school year, schoolwide assemblies and classroom presentations by school administrators are held to discuss school rules, safety procedures, consequences for poor behavior, and academic expectations. As needed throughout the year in classroom discussions, teachers remind their students to conduct themselves in a safe, responsible, and respectful manner.

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship in the classroom. Students who continue to make poor choices in conduct are referred to school administrators; consequences and disciplinary action are based upon the student's past behavioral trend and severity of infraction. Discipline measures are consistently applied in a fair and firm manner.

Responsible 4th and 5th grade students may participate in the school's conflict manager program. The school counselor provides a two-day training for participants which teaches students how to resolve minor playground issues and identify situations that require adult intervention. Conflict managers are responsible for setting an example and minimizing conflicts on the playground during recesses.

Hawthorne School's classroom and schoolwide recognition programs reinforce behaviors associated with the *Beverly Hills Way*. Students demonstrating good behavior and citizenship are given a Gold Card which may be redeemed at the end of the week for a prize drawing. Once a month, students who have maintained good citizenship are nominated by their teachers for Student of the Month; selected students are recognized at monthly assemblies and awarded a certificate. At the end of each semester, Aristonian Assemblies celebrate the academic accomplishments and outstanding citizenship of middle school students; recipients receive an Aristonian trophy and certificate. Middle school students who consistently maintain excellent behavior are eligible to participate in the annual outdoor education program.

## ENRICHMENT ACTIVITIES

Students are encouraged to participate in Hawthorne School's extracurricular activities as well as take advantage of city-sponsored programs. These activities promote positive attitudes, encourage achievement, and instill a sense of belonging among students. Musical theater, computer coding, Adventure Camp, and chess classes are offered after school. There are also numerous clubs/programs students can participate in such as a dance program for 5th

grade, Science Olympiad, a math competition, and a Wednesday morning speaker series for middle school students.

Hawthorne School utilizes an iPad program to incorporate technology into the learning environment. The school library is open to students after school three days a week until 4:30 p.m., and on Tuesdays until 6:15 p.m. The district sponsors after-school intramural sports programs for basketball, softball, volleyball, and soccer to promote teamwork and good sportsmanship. The districtwide intramural sports program enables students in sixth, seventh, and eighth grade to compete with students from other schools in the district in a variety of athletic events.

## CURRICULUM & INSTRUCTION

### STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Beverly Hills Unified School District are aligned to the Common Core State Standards. Staff development concentrations are selected and identified based on the results of staff surveys, state assessment results, and administration/teacher input.

Staff Development Days Three-Year Trend		
2012-13	2013-14	2014-15
3	3	3

During the 2014-15 school year, Beverly Hills Unified School District offered three staff development days, which focused on common assessments and how best to utilize these assessments to monitor student progress (grades K-12). A portion of training activities were led by administrators and educational consultants at school sites and at articulation meetings held in various locations throughout the district. District-sponsored workshops offered during the 2014-15 school year included:

- Common Core/Next Generation Science Standards Workshops
- Co-Teaching Strategies
- CPR Training
- Technology Best Practices
- Writers Workshop

Hawthorne School offers professional development on late start days. During the 2014-15 school year, Hawthorne School's site-based staff development activities were based upon schoolwide goals outlined in the school plan consisting of:

- Team Goals
- Grading Practices
- Positive Behavior Support
- Common Core State Standards
- STEM Training
- iPads and other Technology Training

Beverly Hills Unified School District supports new and veteran teachers in developing their teaching skills. Beginning Teacher Support and Assessment (BTSA), a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-year period. New Teacher Orientation is provided over a two-day period at the beginning of the school year for all teachers who are new to the Beverly Hills Unified School District; training sessions provide an overview of general policies and practices; curriculum and instruction; and technology based tools. The Peer Assistance and Review program is designed to improve the education for students and increase the classroom performance of teachers, targeting both new and veteran teachers.

The principal encourages teachers to attend professional workshops and conferences in their field of expertise. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Los Angeles County Office of Education. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives. The district makes available technology training for classified staff; topics include general instruction on basic Microsoft Office and Outlook applications.

### INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Beverly Hills Unified School District are currently being aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education. The district follows the State Board of Education's adoption cycle for core content materials and for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. For a period of 30 days prior to adoption, parents may visit the district office to review textbooks that have been recommended for adoption by the Board of Education.

On September 29, 2015, Beverly Hills Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted

Resolution #2015-2016-005 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to complete required homework assignments, (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, consistent with the cycles and content of the curriculum frameworks, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instruction materials used for its visual/performing arts curricula. During the 2015-16 school year, all students enrolled in a visual/performing arts class were provided with a textbook or supplemental materials to use in class and to take home. These materials are in alignment with the Common Core State Standards.

### SCHOOL LEADERSHIP

Leadership at Hawthorne School is a responsibility shared among school administrators, instructional staff, and parents. Teamwork between the principal and assistant principal ensures both curricular and operational components of Hawthorne function properly.

Textbook information was obtained from district office personnel in December 2015.

On late start days, staff collaboration activities are facilitated through grade level and department teams. Topics of discussion are driven by direct communication of teaching staff, teacher surveys, needs assessment surveys, and curricular programs. During the 2014-15 school year, the instructional leadership team's efforts focused on school goals and action plans, staff development needs, common core, and iPad training.

The School Site Council (SSC) is comprised of administrators, teachers, and parents and meets once a month. The SSC is responsible for reviewing and approving the school site plan, the school safety plan, and annual budget. Council members serve as a liaison between the school and community.

### SPECIALIZED INSTRUCTION

All curriculum and instruction are currently being aligned to the Common Core State Standards approved by the State Board of Education. Every child receives a rigorous, well-balanced, standards-aligned core program with emphasis on critical thinking, problem solving, and evidence based decision making. Hawthorne School structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

Students who regularly experience academic, social, or behavioral difficulty in the classroom are referred to the Student Study Team (SST). The SST is responsible for addressing barriers that impact the ability of a student to perform at his or her best in school, recommending intervention strategies/services to meet the child's unique needs, and subsequently evaluating progress and modifying instruction as needed over time. A variety of strategies are considered to help promote academic success and may include but are not limited to:

- Differentiated instruction and small group instruction within the general education classroom.
- Instruction by special education staff in the general education class.
- Small group instruction in a separate setting with a special education teacher.

Additional special education services include Speech and Language, Adapted Physical Education, Occupational Therapy and Counseling for students who meet eligibility requirements.

Hawthorne School's special education program is supported by highly qualified, caring staff. Four special education teachers and a team of instructional assistants provide instruction appropriate to the needs of each student in a variety of settings. Special education students are integrated as much as possible into the general education classroom and provided instruction in the least restrictive environment. Each student's curricular agenda is based upon their Individual Education Plan (IEP), which is reviewed and updated annually by the school's IEP teams. The IEP ensures students with disabilities have equal access to core curriculum and educational opportunities and coordinates specially-designed instruction based upon individual academic, social, and/or behavioral needs.

Students identified as English Learners (EL) are placed with a teacher who has been certified by the state to teach English Learners and are provided differentiated instruction in the general education classroom. Teachers provide English

Language Development instruction daily for K-5 students who are at the very early stages of learning the English language (Levels 1 and 2 within the context of the grade level curriculum). EL students (Levels 1 and 2) in grades 6-8 may be placed in an ELD course in lieu of an elective and as a supplement to their regular language arts class. ELD instruction for all grade levels focuses on language development, reading skills, vocabulary development, reteaching class lessons, and front-loading for future lessons. As students increase fluency in the English language, Hawthorne School continues to monitor their performance through the CELDT and adjusts instruction as needed to ensure continued success.

Hawthorne School offers a Gifted and Talented Education program for students who have been recognized as high achievers by their teachers and through district testing. The goal of the GATE program is to provide original, interdisciplinary curricula that challenges and inspires gifted students. The curriculum is differentiated to provide a variety of instructional strategies structured so that individual student experiences/activities can vary in acceleration, depth, complexity or degree of novelty.

Hawthorne Elementary hosts a series of intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. A recommendation for student participation in one or more of Hawthorne Elementary's intervention programs typically comes from the Student Study Team, instructional staff/teachers, or a student's parent based upon classroom performance or state/district assessment results. Intervention strategies may include:

- Title I Intervention provided by certificated teachers before school, during school hours, and after school.
- Study Skills: students in middle school scoring at the Basic level or below on state reading assessments are placed in Study Skills in lieu of an elective. Students are tested at the end of each semester and must score at the proficient or advanced level to exit the elective course.
- English Learners: students who need additional assistance in acquiring the English language may receive tutoring from certificated staff. Instruction is based upon student's individual learning and fluency levels.
- Reading/Study Buddies: responsible middle school students may use their elective or study hall period to volunteer to tutor elementary grade students. Teachers make arrangements with middle school students for tutoring sessions which take place during elementary language arts time.

## PROFESSIONAL STAFF

### TEACHER ASSIGNMENT

Hawthorne School recruits and employs the most qualified credentialed teachers. For the 2014-15 school year, the school employed 46 fully credentialed teachers. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

The adjacent table identifies the number of classrooms taught and not taught by NCLB compliant teachers. High poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25% or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

### SUPPORT SERVICES STAFF

Support service staff consists of school counselors, psychologists, and nurses. This expert team of support service staff, through close collaboration, is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

	NCLB Compliance Percentage of Classes in Core Academic Subjects:

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

School counselors provide academic guidance, conduct classroom visits to discuss social issues and conflict resolution, and identify and resolve diverse issues interfering with a student's ability to learn and succeed in school.

School psychologists and counselors are available to assist with academic, social, and emotional issues as needed. The school psychologist provides psycho-educational assessments to determine eligibility for special education services and to facilitate coordination of Individual Education Plans (IEP). School nurses conduct mandatory health screening programs; health technicians provide basic first aid.

## DISTRICT EXPENDITURES

### SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

### EXPENDITURES PER STUDENT

For the 2013-14 school year, Beverly Hills Unified School District spent an average of \$13,268 of total general funds to educate each student (based on 2013-14 audited financial statements). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
