Principal's Message

Dear Hawthorne Families,

On behalf of the entire faculty and staff, it is my pleasure to share the School Accountability Report Card (SARC) for the 2022-2023 academic year! Whether you are new to our school or are returning, we are excited to have you and your child (or children) as part of our school family.

Hawthorne's outstanding teachers create the foundation for your children's academic success. I am immensely proud of the Hawthorne School teaching staff. They work tirelessly year-round to ensure Educational Excellence for all students. The teachers set clear expectations and goals at high levels. We do this because we know that every member of our school community works together to ensure that each individual achieves at the highest level. Our goal district-wide is to see every student achieve one year's growth in one year's time. This academic growth is a focus for all teachers and staff.

At Hawthorne, we believe that the school staff and our families form a vital team, working together to assist our children in their academic and social-emotional growth. Now, more than ever, we need parents' and community members' involvement. We have made Social-Emotional Learning and Connectedness one of our priorities for the year.

We continue to push our students to follow the HERO expectations. Our staff is committed to teaching our students to be Honorable, Engaged, Responsible, and Open-Minded. We have continued with our school-wide assemblies every Wednesday morning. Students and families continue to learn more about being a Hawthorne HERO and see HEROs in action.

Thank you for being part of our school community.

Go Vikings!!
Sarah Kaber, Principal

District Description

Beverly Hills Unified School District is located in the western portion of Los Angeles, just below the Santa Monica mountains and next door to West Hollywood. Approximately 3,200 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of three elementary schools, one middle school, one comprehensive high school, and one continuation high school.

District Mission

Educational Excellence.

District Vision

Our students will realize their full potential to thrive with integrity in a complex, changing world.

School Description

Hawthorne Elementary School is located in the northwest region of the district's boundaries and considered a neighborhood school. During the 2021-22 school year, Hawthorne Elementary School served 507 students in grades TK-5. Student enrollment included 11% receiving special education services, 7.3% qualifying for English Language Learner support, and 10.7% enrolled in the free or reduced-price meal program. The curricular program for TK-5 students is provided in a self-contained classroom enriched with art, poja, music, technology, and SEL. A special education preschool program is held on campus for the entire district as well as three city preschools.

School Vision

At Hawthorne, we are a compassionate community that values and respects others on our journey through personal growth.

We are Intellectually curious and intrinsically motivated to value the challenges of learning.

Hawthorne Vikings contribute positively to society and lead by example with integrity.

Student Enrollment by Student Group and Grade Level 2021-22

Local Control Accountability Plan (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three

through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Parent Involvement

Parents are encouraged to become involved in Hawthorne Elementary School's learning community by volunteering their time, attending school events, or sharing in the decision-making process. Parents may volunteer their assistance in the classroom, and other areas of the school. Back to School Morning, Fall Harvest Festival, Career Day, Walk to School Wednesdays, Open House, student performances, family nights, Reflections contest, Fun Run, grade level socials, Halloween Parade, Multicultural Day, service learning, multicultural activities, and Pajamarama provide opportunities for parents to interact with school staff while supporting their child's efforts. The Principals' Advisory Council, Parent Teacher Association, and Coffee with the Principal provide opportunities for parents to have input on curricular programs and financial planning.

California Assessment of Student Performance and Progress Test Results in Science

All Students

Percentage of Students Meeting or Exceeding the State Standards

	Hawthorne		BHUSD		CA	
	20-21	21-22	20-21	21-22	20-21	21-22

English Learners	18	15	83.33%	16.67%	40.00%	18	16	88.89%	11.11%	37.50%
Foster Youth										
Homeless										
Military										
Socioeconomically Disadvantaged	23	23	100.00%	0.00%	82.61%	23	23	100.00%	0.00%	73.91%
Students Receiving Migrant Education Services										
Students with Disabilities	42	40	95.24%	4.76%	42.50%	42	39	92.86%	7.14%	41.03%

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Parents seeking more information about becoming an active member in the school community may contact the school office, their child's teacher, the PTA president, or school administrator at (310) 229-3675. The administration sends out weekly newsletters which update the community on school happenings and upcoming events. This includes notes from the principal, counselor, technology coach, grade level spotlights, pictures and upcoming events. School staff and parents communicate through district provided email addresses for staff or through ParentSquare.

School-to-home communication takes place in a variety of formats. The online PTA newsletter is published weekly throughout the year and provides up-to-date information on Hawthorne's programs and events. Our school website is updated frequently with important information about school activities, special announcements, and a calendar of events. Parents may access Hawthorne School's website at <http://haw.bhusd.org>; general information about the school, staff, activities, homework, and school news is updated regularly.

California Assessment of Student Performance and Progress

Test Results in English Language Arts/Literacy (ELA) and Mathematics

for All Students in Grades Three Through Eight

Percentage of Students Meeting or Exceeding the State Standards

	Hawthorne		BHUSD		CA	
	20-21	21-22	20-21	21-22	20-21	21-22
English-Language Arts/Literacy	74	80	75	71	48	47

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA & Mathematics test results include the Smarter Balanced Summative Assessment and the CAA.

The "Percent Met and Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e. achieved Level 3 - Alternate) on the CAA's divided by the total number of students who participated in both assessments.

Student Achievement

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

Physical Fitness

In the spring of each year, Hawthorne Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

School Facilities & Safety

Facilities Profile

Hawthorne Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1928; since that time, new structures have been added and outdated buildings replaced. In the last 12 months, the following campus repairs or improvements have been completed:

- Installation of a new gate in the transitional kindergarten playground
- Installation of all new carpeting and tiles
- Repaint all interior walls
- Replaced cabinetry in some classrooms

Campus Description	
Year Built	1928
Acreage	6.04
Bldg. Square Footage	59187
	Quantity
# of Permanent Classrooms	40
# of Portable Classrooms	0
# of Restrooms (student use)	7 sets
Auditorium	1
Computer Lab	1
Library	1
Multipurpose Room	1
Staff Lounge	1
Teacher Work Room	1
MakerSpace Lab	1

California Physical Fitness Test Results

2021-22

Grade Level	% of Students Tested				
	Abdominal		Trunk Extensor	Upper Body	
	Aerobic Capacity	Strength and Endurance	and Strength and Flexibility	Strength and Endurance	Flexibility
Fifth	100.0%	99.0%	100.0%	99.0%	100.0%

Note: Due to changes to the 2021-22 Physical Fitness Test administration, only participation results are required for these five fitness areas.

Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Measure E & Measure BH Bonds

In November 2008, the Beverly Hills community approved a \$334 million general obligation bond (Measure E) to facilitate modernization and safety-related upgrades of Beverly Hills Unified School District's elementary and high school facilities. In June 2019, the Beverly Hills community approved a \$385 million general obligation bond (Measure BH) to continue the modernization and safety-related upgrades of Beverly Hills Unified School District's elementary, middle and high school facilities that began as a result of Measure E. This bond will finish out the work identified in that bond project and allow the opportunity to start new work that the Measure E bond was unable to fund.

There were no Measure E or BH projects in progress at Hawthorne School during the 2021-22 school year.

Supervision & Safety

The Beverly Hills Police Department provides one police officer for traffic control in the morning and after school. Four crossing guards are on duty as students travel to and from school. Private security personnel monitor the campus' perimeter and gates throughout the day. Playground aides monitor TK-5 playground areas before school and during recesses. When students are dismissed at the end of the day, playground aides and private security personnel ensure students depart in a safe and orderly manner. The principal, custodian, school office, playground assistants, and the school nurse carry hand-held radios to facilitate routine and emergency communications concerning student safety. Regular meetings and trainings are held with playground aides to review safety procedures and protocols.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in with private security personnel at the front gate and receive a visitor's badge using the Raptor System upon arrival.

Facilities Maintenance

School custodial staff and the district's maintenance and operations department (M&O) work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Monthly M&O meetings facilitate discussions concerning safety issues, maintenance needs, cleaning practices, and training. Custodians are required to comply with Beverly Hills Unified School District's approved cleaning standards and policies outlined in the custodial handbook. Parents who wish to review the district's policies may contact the Maintenance & Operations Department or Hawthorne Elementary School's office.

Maintenance & Operations (M&O) employs a work order process enabling staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and staff submit requests to the school's office manager who prepares and forwards an electronic work order to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff; general requests are typically addressed within two weeks.

Campus facilities are cleaned daily; one full-time lead custodian, three full-time evening custodians are assigned to Hawthorne Elementary School and

School Facility Good Repair Status

Percentage Description Rating:

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

work closely with the administration for routine maintenance, daily custodial duties, and preparation for special events. The principal and day custodian communicate daily regarding campus cleaning needs and safety concerns. Every morning before school begins, the lead custodian inspects the facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds.

The lead custodian is responsible for general upkeep of campus and keeping restrooms, classrooms, office, cafeteria, and other facilities in an orderly and secure condition. The lead custodian checks restrooms frequently throughout the day to ensure they are clean and adequately stocked. The evening custodians are responsible for comprehensive cleaning of classrooms, restrooms, offices, cafeteria, and other facilities. Quarterly site inspections are completed with maintenance and custodial staff to identify potential safety hazards.

The groundskeeper is responsible for all general landscaping and irrigation projects and repairs at Hawthorne Elementary School.

Although students and instructional staff remained off campus during virtual learning, custodial staff remained on campus to complete thorough cleaning of classrooms and outside areas.

Facilities Inspection

Hawthorne Elementary School works closely with the district's Maintenance & Operations Department (M&O) for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Hawthorne Elementary School took place on July 1, 2022. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas, disclosing the operational status in each of those areas. During fiscal year 2021-22, all restrooms were fully functional and available for student use at the time of the inspection.

The School Facilities & Safety section of the SARC is based on the Office of Public School Construction (OPSC) Facility Inspection Tool (FIT). The FIT uses specific criteria for a visual inspection, and is not based on exhaustive structural analyses.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Hawthorne Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The most current school site safety plan was reviewed, updated, and shared with school staff in Fall 2022.

Classroom Environment

Enrichment Activities

Students are encouraged to participate in Hawthorne Elementary School's extracurricular activities as well as take advantage of city-sponsored programs. These activities promote positive attitudes, encourage achievement, and instill a sense of belonging among students. The Adventure Camp program is offered after school. There are also numerous clubs/programs students can participate in. An after school math club is also available 2 days a week. And an audition based Honor Chior for grades 3-5. Music and art is available for TK-5 every week and a Science Lab/MakerSpace is available to Kinder-5th every week. Students in TK, Kinder and 1st grade receive POGA every week. Upper grade students receive POGA in their classes once per month and drop in weekly during lunchtime. Every student has the opportunity to participate in Service Learning activities geared to teach standards and provide community service. Hawthorne Elementary School has a 1:1 iPad and Chromebook to student ratio for all students. The school library is open to students after school daily until 4:00 p.m. Kind Ambassadors provide peer support on the playground to mediate issues and show kindness and respect. Students in grades 1-5 are able to join Student Council and become classroom senators and plan school wide activities. There is a Roots and Shoots gardening club available for 4th and 5th grade students. The Running Club meets two days per week before school. Teachers committed to morning meetings to ensure social emotional well-being. Systems were set into action to mitigate attendance issues or intervene in case of lack of academic progress.

Class Size

The Class Size Distribution tables in this report illustrate the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Average Class Size and Class Size Distribution				
2019-20				
Grade Level	Average Class Size	Number of Classes*		
		1-20	21-32	33+
K	21.0		5	
1	19.0	4		
2	22.0		5	
3	23.0		4

1	17.0	27		
2	19.0	15	12	
3	17.0	27		
4	22.0	4	24	
5	21.0	9	18	

*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

Discipline & Climate for Learning

As part of our discipline and behavior expectations, BHUSD has implemented Positive Behavioral Interventions & Supports (PBIS). PBIS focuses on teaching children positive behaviors and changing children's environment so that using the positive behaviors becomes more effective for them than using negative behaviors.

At Hawthorne, we categorize our expected behaviors as HERO: Honorable, Engaged, Responsible, and Open-Minded. All the behaviors we want to see in a classroom and around the school are specifically taught as fitting into one of those categories. Then the students are recognized for showing off that behavior.

Hawthorne HERO Expectations				
	Honorable	Engaged	Responsible	Open-Minded
Entering School	<ul style="list-style-type: none"> Arrive at your assigned time Adults stay in the car Mask always covers mouth and nose when entering the school building 	<ul style="list-style-type: none"> Be prepared to get out of your car with your things Listen to the adults around you Make sure you have everything you need 	<ul style="list-style-type: none"> Complete ParentSquare Health Screening Be mindful of where your body is Stay on your dots/sticker 	<ul style="list-style-type: none"> Listen to directions from staff Be flexible when directions change
Playground	<ul style="list-style-type: none"> Play by the rules Use kind words Include others Share equipment and put it away when done Follow directions from all adults Stay on the playground Notify an adult and get a pass if you need to go to the health office 	<ul style="list-style-type: none"> Participate in an activity Talk and play with everyone Take turns with others Communicate with peers and adults Use "I messages" 	<ul style="list-style-type: none"> Take care of equipment Put the equipment back Respect personal space Use only helping hands (hands are for helping and not for hurting) Line up when the whistle blows Use the bathroom and get water before lining up 	<ul style="list-style-type: none"> Play with different people Try new activities Use encouraging words End games with a positive saying
Bathroom	<ul style="list-style-type: none"> Take turns, one person per stall Conserve water and paper towels Report if anything is broken or missing Masks always cover nose and mouth 	<ul style="list-style-type: none"> Focus on the task at hand Return to class in a timely manner Wait your turn if the hooks are full 	<ul style="list-style-type: none"> Hang your pass on the hook outside Take your pass when you leave Keep bathroom clean Throw trash in the trash can Flush the toilet Respect privacy 	<ul style="list-style-type: none"> Be tolerant of sounds and smells Remember that emergencies happen in the bathroom
Outside Eating	<ul style="list-style-type: none"> Welcome others from your class to sit with you Thank playground staff Keep the tables and floor clean Listen to playground staff the first time 	<ul style="list-style-type: none"> Use your time wisely Eat the grow food first Talk to your tablemates Be aware of people who might need a friend to sit with 	<ul style="list-style-type: none"> Clean up after yourself Offer to help others clean up Clean up trash even if it is not yours Use walking feet 	<ul style="list-style-type: none"> Be open to other types of foods are different from yours Include others at your table Sit with different people Be mindful of keeping your area clean
Hallways & Stairwells	<ul style="list-style-type: none"> Keep your hands by your sides Know your destination Stay between the Line Leader and the Caloose Stay to the Right Mask always covers mouth and nose 	<ul style="list-style-type: none"> Be Body Mindful Face Forward Mind the Gap Pay attention to your surroundings Listen to staff and follow signals 	<ul style="list-style-type: none"> Use appropriate Voice Level Pick up trash as you go Stay in configurations Walk down one stair at a time. 	<ul style="list-style-type: none"> Walk at the pace of the class Help others if something happens in line.

Suspensions and Expulsions

	Hawthorne			BHUSD			CA		
	19-20	20-21	21-22	19-20	20-21	21-22	19-20	20-21	21-22
Suspensions	0.98%	0.17%	1.32%	3.14%	0.79%	2.84%	2.50%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.00%	0.00%	0.10%	0.00%	0.07%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

The expectations continue to be adjusted as needed for the varying needs of our students. HERO assemblies are held four times per year to celebrate students with awards given out.

Suspensions & Expulsions by Student Group (2021-22)

Curriculum & Instruction

Staff Development

All curriculum and instructional improvement activities at Beverly Hills Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on the results of staff surveys, state assessment results, and administration/teacher input.

Hawthorne Elementary School offers professional development on late start days. During the 2021-22 school year, Hawthorne Elementary School's site-based staff development activities were based upon schoolwide goals outlined in the school plan consisting of:

- Common Core State Standards
- Connection with schools and classrooms around the state to share ideas)
- Differentiation
- ELL Strategies
- Grading Practices
- Intervention Support
- Instructional Technology (Kami, Screencastify, Seesaw, Listenwise, Flocabulary, Nearpod, Peardeck, Google Meets, Jamboard, FlipGrid, Kahoot, Quizzes, Story Creator, Bitmoji Classrooms)
- Learning Targets in Math
- Positive Behavior Intervention & Support
- Strategic Plan
- Student Growth & Differentiation Data (One year's growth in one year's time)
- Team Goals
- Technology

During the 2020-21, 2021-22, and 2022-23 school years, Beverly Hills Unified School District offered professional development days, which focused on common assessments and how best to utilize these assessments to monitor student progress (grades TK-12). A portion of training activities were led by administrators and educational consultants at school sites and at articulation meetings held in various locations throughout the district. District-sponsored workshops offered included:

Beverly Hills Unified School District supports new and veteran teachers in developing their teaching skills. California Teacher Induction Program (CTIP), a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-year period. New Teacher Orientation is provided over a two-day period at the beginning of the school year for all teachers who are new to the Beverly Hills Unified School District; training sessions provide an overview of general policies and practices; curriculum and instruction; and technology based tools. The Peer Assistance and Review program is designed to improve the education for students and increase the classroom performance of teachers, targeting both new and veteran teachers.

The principal encourages teachers to attend professional workshops and conferences in their field of expertise. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Los Angeles County Office of Education. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives. The district makes available technology training for classified staff; topics include general instruction on basic Microsoft Office and Outlook applications.

Instructional Materials

All textbooks used in the core curriculum throughout Beverly Hills Unified School District are currently being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education. The district follows the State Board of Education's adoption cycle for core content materials and for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption. For a period of 30 days prior to adoption, parents may visit the district office to review textbooks that have been recommended for adoption by the Board of Education.

On September 20, 2022, Beverly Hills Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #2022-2023-004 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home to complete required homework assignments, (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, consistent with the cycles and content of the curriculum frameworks, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instruction materials used for its visual/performing arts curricula. During the 2022-23 school year, all students enrolled in elective classes were provided with a textbook or supplemental materials to use in class and to take home. These materials are in alignment with the California State Standards.

School Leadership

Leadership at Hawthorne Elementary School is a responsibility shared among school administrators, instructional staff, and parents. Teamwork between the principal and assistant principals ensures both curricular and operational components of Hawthorne function properly.

On late start days, staff collaboration activities are facilitated through Professional Learning Communities (PLCs). Topics of discussion are driven by direct communication of teaching staff, teacher surveys, needs assessment surveys, and curricular programs, as well as the District's initiative of one year's growth in one year's time. Teachers also meet as grade level teams every week to focus on curriculum, assessment, and differentiated instruction.

The Principal Advisory Council (PAC) is comprised of administrators, teachers, and parents and meets once a month. The PAC is responsible for reviewing and approving the the school safety plan. Council members serve as a liaison between the school and community.

Specialized Instruction

All curriculum and instruction are currently being aligned to the California State Standards approved by the State Board of Education. Every child receives a rigorous, well-balanced, standards-aligned core program with emphasis on critical thinking, problem solving, and evidence based decision making. Hawthorne Elementary School structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

Students who regularly experience academic, social, or behavioral difficulty in the classroom are referred to the Student Study Team (SST). The SST is responsible for addressing barriers that impact the ability of a student to perform at his or her best

in school, recommending intervention strategies/services to meet the child's unique needs, and subsequently evaluating progress and modifying instruction as needed over time. A variety of strategies are considered to help promote academic success and may include but are not limited to:

- Differentiated instruction and small group instruction within the general education classroom.
- Instruction by special education staff in the general education class.
- Small group instruction in a separate setting with a special education teacher.
- Learning Lab - ELA & math push-in and pull-out flexible group intervention.

Additional special education services include Speech and Language, Adapted Physical Education, Occupational Therapy and Counseling for students who meet eligibility requirements.

Hawthorne Elementary School's special education program is supported by highly qualified, caring staff. Five special education teachers and a team of instructional assistants provide instruction appropriate to the needs of each student in a variety of settings. Special education students are integrated as much as possible into the general education classroom and provided instruction in the least restrictive environment. Each student's curricular agenda is based upon their Individual Education Plan (IEP), which is reviewed and updated annually by the school's IEP teams. The IEP ensures students with disabilities have equal access to core curriculum and educational opportunities and coordinates specially-designed instruction based upon individual academic, social, and/or behavioral needs.

Students identified as English Learners (EL) are placed with a teacher who has been certified by the state to teach English Learners and are provided differentiated instruction in the general education classroom. Teachers provide English Language Development instruction daily for TK-5 students who are at the very early stages of learning the English language (Levels 1 and 2 within the context of the grade level curriculum). EL students (Levels 1 and 2) may be placed in an ELD course in lieu of an elective and as a supplement to their regular language arts class. ELD instruction for all grade levels focuses on language development, reading skills, vocabulary development, reteaching class lessons, and front-loading for future lessons. As students increase fluency in the English language, Hawthorne School continues to monitor their performance through the ELPAC and adjusts instruction as needed to ensure continued success. A dedicated ELD teacher for TK-5 is available for in class instruction.

Hawthorne Elementary School offers a Gifted and Talented Education program for students who have been recognized as high achievers by their teachers and through district testing. The goal of the GATE program is to provide original, interdisciplinary curricula that challenges and inspires gifted students. The curriculum is differentiated to provide a variety of instructional strategies structured so that individual student experiences/activities can vary in acceleration, depth, complexity or degree of novelty.

Hawthorne Elementary School hosts a series of intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. A recommendation for student participation in one or more of Hawthorne Elementary's intervention programs typically comes from the Student Study Team, instructional staff/teachers, or a student's parent based upon classroom performance or state/district assessment results. Intervention strategies may include:

- English Learners: students who need additional assistance in acquiring the English language may receive tutoring from certificated staff. Instruction is open to all students who are determined to need support by the school site.
- 4th and 5th grades have access to "Air Tutors" who provide reading and math support.
- Learning Lab - Extra academic assistant that is available to those students identified in ELA/Math every 6-8 weeks.

Teachers Without Credentials and Misassignments (Considered "Ineffective" under ESSA) / Authorization/Assignment	2020-21	2021-22

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Professional Staff

Teacher Preparation and Credentials

The charts below identify the number of teachers at the Hawthorne Elementary School, the Beverly Hills Unified School District, and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Hawthorne Elementary School's information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Support Services Staff

Support service staff consists of school counselors, psychologists, and nurses. This expert team of support service staff, through close collaboration, is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

School counselors provide academic guidance, classroom visits to discuss social issues and conflict resolution, and identify and resolve diverse issues interfering with a student's ability to learn and succeed in school.

Academic Counselors and Other Support Staff 2021-22		
	No. of Staff	FTE*
Academic Counselor	0	0.0
Psychologist	1	1.0
School Nurse	1	1.0
Health Technician	1	1.0
Counselor	1	1.0
Library Technician	1	1.0
technology Teacher on Special Assignment	1	1.0
Information Technology Specialist	1	1.0
Behaviorist	1	0.5

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

School psychologists and counselors are available to assist with academic, social, and emotional issues as needed. The school psychologist provides psycho-educational assessments to determine eligibility for special education services and to facilitate coordination of Individual Education Plans (IEP). School nurses conduct mandatory health screening programs; health technicians provide basic first aid.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

Expenditures Per Student

For the 2020-21 school year, Beverly Hills Unified School District spent an average of \$22,396 of total general funds to educate each student (based on 2020-21 audited financial statements). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Teacher and Administrative Salaries		
2020-21		
	BHUSD	State Average of Districts in Same Category
Beginning Teacher Salary	62,811	48,503
Mid-Range Teacher Salary	108,758	74,912
Highest Teacher Salary	120,013	100,321
Average Principal Salaries:		
Elementary School	162,230	122,160
Middle School		127,632
High School	204,609	137,578
Superintendent Salary	290,139	198,665
Percentage of Budget For:		
Teacher Salaries	33.81	31
Administrative Salaries	6.3	6

For detailed information on salaries, see the CDE Certified

Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

SARC Data

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Hawthorne Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Beverly Hills Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials sections was acquired in October 2022 and the school facilities section was acquired in December 2022.

Note: Cells with N/A values do not require data.

In addition to general fund state funding, Beverly Hills Unified School District receives state and federal categorical funding for special programs. For the 2020-21 school year, the district received categorical, special education, and support programs, including but not limited to:

- Career & Technical Education Program
- COVID Relief Funding
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials
- Mental Health-Related Services
- On-Behalf Pension Contributions
- Other Local: Locally Defined
- Department of Rehabilitation
- Special Education
- State COVID Relief Funding
- State Lottery
- Strong Workforce Program
- Title I, II, III
- Tobacco-Use Prevention Education
