

## District English Learner Advisory Committee (DELAC)

**2024-2025**

March 20, 2025, 10 am - 11 am, District Office Board Room

| Agenda                                                      | Notes                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Introduction of District and DELAC Representatives          | District representatives and DELAC members introduced themselves, welcoming new participants.                                                                                                                                                                                                                                                                                                                                                                 |
| Approval of Proposed Agenda                                 | Motion - Mike & Second - Marisa                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Approval of <a href="#">DELAC Minutes</a> from January 2025 | Motion - Mike & Second - Marisa                                                                                                                                                                                                                                                                                                                                                                                                                               |
| District Updates: Dr. Jason Hasty                           | He was unable to attend.                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Reclassification Criteria Updates: Dr. Dustin Seemann       | Looked into the following components of our reclassification criteria: <ul style="list-style-type: none"><li>• (2) Teacher Evaluation and how it correlates to OPTEL</li><li>• (3) Basic Skills Assessment<ul style="list-style-type: none"><li>◦ Should the percentile and score levels be lowered?</li><li>◦ Which metrics of i-Ready and NWEA should we be using?</li><li>◦ Suggestions for new level (percentile, score, other, etc.)</li></ul></li></ul> |
| Assessments & Accountability: Dr. Dustin Seemann            | Discussion on iReady and NWEA. Also introduced the idea of a different assessment at BHHS.                                                                                                                                                                                                                                                                                                                                                                    |
| Feedback: Committee Members                                 | AirTutors is essential for EL students for the 25-26 school year.                                                                                                                                                                                                                                                                                                                                                                                             |
| Adjournment                                                 | The meeting was adjourned at 10:53 am                                                                                                                                                                                                                                                                                                                                                                                                                         |
