OCTOBER 2024

COLLEGE FAIR/COLLEGE DAY, October 23, 2024

- ☐ Review academic strategies and routines that help you to be more successful in your coursework (that includes incorporating healthy habits and balance like more sleep, breaks, and doing things outside of school that you like!)
- ☐ Register and pay for AP exams to take in the spring if enrolled

NOVEMBER - DECEMBER 2024

- ☐ Reflect on extracurricular commitments
 - ☐ Decide which ones to keep, which activities you can take a leadership role or more in-depth role in
 - ☐ Update your resume
- ☐ Study for finals
- ☐ Plan for schedule spring semester

JANUARY - FEBRUARY 2025

COLLEGE ADMISSIONS TESTING NIGHT, DATE TBD

- ☐ Get back into sync with attending classes, set goals, and get organized for the spring semester with your academic coursework
- ☐ Meet with counselor to select junior year classes
 - ☐ *Classes should be rigorous (to YOUR level), meet/exceed A-G college requirements, choose electives that help showcase your interests*

CLASS OF 2027 COLLEGE TIMELINE

- ☐ *Ensure your schedule is challenging, but also supportive so you are successful*
- ☐ *Colleges will look at your senior year classes, it's your time to show off your strengths, but also make sure you're choosing wisely and allowing yourself to handle the course load*
- ☐ Research majors and careers, review your extracurricular activities and academic strengths and find correlation with future interests/goals

MARCH 2025

PSAT 10 MARCH 5, 2025 ALL SOPHOMORES
