# ALL IN FOR OUR KIDS

— BVMS ANNUAL FUND —

Dear Donor,

Beverly Vista Middle School focuses on providing students with the best education possible. No matter where they want to excel, we strive to make sure all our students have the tools and resources they need to prepare them for their future.

None of this would be possible without the generous support from our community. With past donations we have been able to support and enhance academic, elective, and extracurricular programming through hands-on learning opportunities, enrichment assemblies, guest speakers, and field trips. We have fostered the self-care of our children through fitness and wellness and inspired our students to thrive with upgraded facilities.

To continue offering our students a top-notch education, we need your corporate sponsorship! We would greatly appreciate contributions of any amount. With this partnership, your business will be featured for our community to acknowledge and appreciate!

If you wish to support us, please send the attached form with your donation to:

BVMS PTA  
200 S Elm Drive  
Beverly Hills CA 90212

All of us at BVMS PTA want to thank you in advance for your contribution!

Sincerely Yours,

Sheila Razi, BVMS PTA, VP Sponsorship 2023/24

## About Beverly Vista Middle School...

Established in 1924, and reconfigured in the 2019-2020 school year, Beverly Vista Middle School opened its doors as the dedicated middle school for BHUSD. All students and staff, grades 6-8 from across the district joined Beverly Vista Middle School to reimagine education for middle grade students in Beverly Hills. With this transformation, middle school students in Beverly Hills would for the first time experience a learning environment designated exclusively for their developmental needs. BVMS enrolls approximately 750 students in the Beverly Hills Unified School District. Beverly Vista Middle School was awarded the California Distinguished School Award most recently in 2004. Also awarded in 1997, 1993 and 1989. BVMS is ranked 628th out of 5,789 California Middle Schools.

The mission at Beverly Vista Middle School is to empower students to become independent, self-motivated learners who function productively in society and who are prepared to continue on into higher education. Beverly Vista Middle School's vision is for teachers, administrators, school staff and parents to work together with students to accomplish the school's mission.

A successful and happy Bulldog lives by our Beverly Vista Middle School Values;
